Some of us gals are blessed with nice boobs, some are blessed with good looks, and some are blessed with a nice, round booty. Guess which I have? That's right all three, but no one has yet fucked my immeasurably fuckable booty. That's something I could be saving for you, but you'll have to wait to find out. You will wait, won't you? I promise it'll be worth waiting for.

Free
service for
hot sex...
a fair trade,
don't you
think?

once in a lifetime

I was tired, and the last thing I needed was another call for a tow. But that was exactly what I got. I grumbled as I climbed into the cab of my truck and headed for a deserted stretch of road. I could imagine some stranded city slicker with her nose in the air and an attitude. I almost never wished there were another

service station in the area. Usually, I was glad to have all the business for miles around. But once in a while, it would be nice to have someone else answer the after-hours calls.

The sexy young blonde stranded miles from town wasn't what I had expected. She looked innocent and overwhelmed, and had the sweetest voice and biggest blue eyes I'd ever seen.

"I'm so sorry to bother you so late in the day," she said. "The engine just died. I didn't know what to do. I didn't want to rely on a stranger for help."

"No problem, sweetheart," I said as I hooked up her car.

She didn't pull away as I stroked her tits through her thin white blouse.

"Go on, climb into the cab of the truck. I'll be right there."

I watched her, her slender body and tight little ass making my cock spring to attention. I hadn't gotten my rocks off in weeks, and I knew I wasn't go-

I fingered her clit, then rubbed along her slippery slit. She didn't make a sound as I poked my finger into her hot, tight pussy.

"Why don't you just strip for me, sweetheart? Let me see what you've got."

ing her trimmed blonde bush.

I couldn't wait a moment longer. She was naked except for her thigh-highs and her heels—now, that was a sight to behold. She leaned back against the truck as I dropped to my knees and buried

ing to let this opportunity pass me by.

Her car was still on the hook when we went into my shop. "I hope it's not going to be too expensive," she almost pleaded. "I'm traveling across country to school, and I don't have much money."

"I'm sure we can work something out," I offered, looking her up and down. She didn't pull away as I stroked her tits through her thin white blouse. Her nipples hardened instantly, poking against the fabric. I pushed up her skirt with my other hand and slipped a finger beneath her cotton panties. Her body tensed as

Her face turned red, but I could see that she was hiding a smile. "I don't know."

"Go on," I urged, letting go of her and leaning back against my truck. "I'm going to need a deposit on the repair cost."

"Well...okay. Maybe it would be kind of fun." She slowly unbuttoned her blouse and let it slide off over her creamy white shoulders. Goosebumps spread across her pert little tits and down across her flat belly. She tossed her blouse over the side of the truck, then unzipped her skirt, letting it fall to the floor around her ankles. I licked my lips as she eased her panties down, reveal-

my face between her pale thighs. I flicked my tongue mercilessly against her swollen clit, making her groan with pleasure. I licked up one side of her wet slit and down the other, then buried my tongue in her hot, sticky pussy. I kissed and licked and sucked on her tender young flesh until her knees were trembling.

I couldn't stand it any longer. My cock ached, and my balls were boiling, begging to shoot a load into her sexy mouth. I unzipped my coveralls and peeled them off, then led her to the bed of my truck. I threw my coat down on the floor of the truck bed and she lay down. When she spread

I fucked her mouth hard and

hot mouth. I had no self-control left as my cock began to wiggle and squirm. My sweet cream blasted against the back of her throat in one huge load, then a couple of smaller wads. She

fast, ramming my cock into her throat. She gagged and gasped for air a couple of times, so I had to slow down and hold back a little. But she was hot. She thrashed and squirmed as I flicked my tongue against her clit. She was so horny that she was already shaking. It was like she had waited as long as I had for some relief.

I poked my tongue into her sweet pussy, then licked around its rim. She bucked her hips, jamming her pussy into my face as her passion became more intense.

She came before I did, her pussy contracting and her body trembling. Her groans of pleasure were muffled by my horny cock ramming in and out of her

swallowed like she was trying to keep from drowning in sweet cream. Her moans and squeals just made everything hotter and more exciting.

When I had finished coming, I let my cock slide out of her mouth and rolled off her. I hauled on my coveralls and watched as she sat up. Her knees were weak as she climbed down onto the floor. She steadied herself on the tailgate, then looked around for her clothes. When she found them, I motioned to her...

"If you don't put those on, I'll fix your car for free," I offered.

She looked at me, not quite believing I was serious. Then she glanced around the shop, checking out the doors.

"Don't worry; no one else

and then, I'll fix your car tonight for free."

"You're serious?"

"Absolutely. That was a hell of a blow-job. It was worth whatever it takes to get your car back on the road."

"All right," she agreed. "Get to work."

I never enjoyed working on any car more than I enjoyed that one. The repair wasn't such a big deal, but having that beautiful angel circling the garage while I worked made it a real pleasure. It didn't even matter that it was after 10 o'clock when I finished—or that I wasn't making anything on the job. But it was a real disappointment when she climbed into her car and drove away.

Myah

Oh yeah, it's good to be stuffed by a nice big cock. But first, you've got to take a good look at my bountiful body, is it something you want to fuck? Is it something you want to lick, or stick your fingers into, or even shove your rock hard cock deep into me until I scream at the top of my lungs and beg for more. Huh? Is that what you want? Well, is it?

Sometimes at night, I dream of you watching me fuck and suck someone – just so you can watch. I bet you would get hard just thinking about it. Then you would have to do something about it and I would be there just to help you get off. I would take your hand away from your cock and replace it with mine, and then with my mouth, and then with my pussy. And I'd feel your huge cock deep inside me, and scream.

GIRL NEXT DOOR

KARINA

Forever horny, Karina flashes her pretty smile seconds before flashing her breasts for her boyfriend's camera. He sent us these pictures of his captivating lady and we thought she was great, especially at cock sucking, lucky guy. Worthy of being a Girl Next Door, we love her all-American enthusiasm for sex.

COURTNEY

Sweet-faced with the look of an innocent freckle-faced college girl, Courtney's pictures surprised us. After we went through the clothed ones, we found her sucking cock and getting finger-fucked. First one finger, then two in her ass and it looked like she liked it. Especially when a large cock took advantage of her sweet pucker. We can't tell you what the other photos are like but they drew a crowd at the office. Let us just say she looks like a great cock-sucker. And she has great technique, too. Now that's our kind of Girl Next Door.

LOU LOU & PAIGE

Luscious lesbians Lou Lou and Paige share a lot of interests, like each other's bodies. Today is Lou Lou's birthday and between the two of them, there's enough beautiful young flesh to keep these two occupied all day long. And for another year, too! That's exactly where they want to be, sharing kisses and kitties. The sofa wasn't the only thing getting some action today. They licked and fucked on it, exploring each other until the sun went down.

NOTHING LIKE A BIRTHDAY TO FILL YOUR PUSSY

*Ever imagine what it would be like to manage a girls' softball team?
This dude had one batting practice and warm up he'll never forget.*

Puss 'n' Balls

We were only one game away from a possible state championship. That was only one of the reasons why I called a special practice session. The other reason was that the Biscayne Beavers are the prettiest, sexiest softball team in the league. As their coach, I love showing them how to do things. That's because they're all girls.

They trotted out of the locker room wearing their pin-striped tank tops, blue satin shorts and oversized mitts. As always, I was a bit overwhelmed by all the bare legs and pretty smiles that flashed by me as the girls ran onto the field.

They started off with some warm up exercises that included toe-touches. I stood behind the line of young ladies as they leaned forward in unison until all I could see were lean tanned legs topped by blue shorts that hiked up to show the bottom parts of the girls' pale cheeks. The women did some splits, too, spreading taut thighs apart until they touched the grass and their crotches met the ground. Then they bounced up and started tossing softballs around.

Janice, I noticed, was throwing like a girl. She caught the ball nicely, but then she arched her back too much and lifted her throwing arm so that the elbow was pointing toward the sky. So were her tits. I beckoned to her and she jogged over, her jugs jiggling in her shirt.

"Janice, you have to use your legs and shoulders more when you throw. Your feet should be farther apart." I

bent down and put a hand on each of her knees, moving the right one back and away from the left. With her feet planted correctly I straightened up, letting my right hand slide up the inside of her left thigh. She smiled as it lightly touched her soft crotch before falling by my side. Positioning myself behind her, I placed my right hand over hers and pulled it back to demonstrate how she should hold the ball prior to releasing it. I could feel Janice's warm, bare legs leaning against mine. My face was nearly buried in her hair and my crotch sort of sat on the top of her butt. She shifted her weight and threw the ball to second base.

"That feels better," she said, leaning back against me. You demonstrate things so well, Coach."

I might have responded to that come-on but just then I noticed that Linda was having trouble in the batting cage. Linda was short, cute and incredibly stacked. The way she was standing at the plate, all crouched down like Mickey Rivers, her tits were nearly spilling out of her shirt. Her ass was sticking out too much too. I placed one hand on her bun and the other under her right tit and squeezed gently to straighten her up.

"Does that feel more comfortable?" I asked. "Mmm-mm, yes" she replied.

But when I stood back to let her swing at another practice pitch she fell over on the follow-through. I reached under her armpits, grabbed two firm tits and hoisted her to her feet. She resumed her batting stance

and I pushed her buns again to keep them from sticking out too much. Then I noticed that her legs were too close together, which is probably why she had gone down from her own swing. I stuck a hand between Linda's knees and slapped it back and forth until her legs were open properly. And as I'd done with Janice, I let my hand sweep up for brief, accidental touch of sweaty pussy.

"Problem with you girls," I told her, "is that you've been taught to well to keep your legs closed."

"Maybe you'll teach me to keep them opened," she suggested.

The next pitch sailed in and Linda swung at it. This time she made contact, driving the ball out of the infield. She connected with another pitch, too, though not as solidly. The ball popped way up into the air where it hung forever, while third baseman Tracy called for it. She ran in a few feet, backed up a step, and moved forward again as the ball got lost in the sun's glare. The tan tops of her tits stretched up and outwards as she

belt and hoisted herself off of the ground, moving her tits against my groin in the process. "Maybe I should have some liniment rubbed on my breasts. Can you do that later?"

She was still holding on to my belt and trailing two fingers below it. My prick, which is generally hard throughout these practice sessions, grew even harder. I was greatly tempted to whip it out and stick it right where that ball had been, between her beautiful boobs. But duty called.

Kelly was sliding into second base as the shortstop was flipping the ball to Suzy. Most of the girls don't like to slide because the skimpy shorts they wear give their legs little protection. Kelly, however, a petite redhead who weighs 105 at best, is an aggressive little player. She came sliding in on her left leg with her right foot poised to knock over the second baseman. The cleats of her shoe slammed into Suzy's bare thigh and Suzy dropped tile ball.

"Safe!" yelled Kelly.

leaned her head back, squinted at the sky, and waved her hands helplessly.

All eyes were on Tracy's tits as the ball descended and almost inevitably fell a good foot to the right of her glove. It plunged into the canyon between her breasts with enough force to knock her on her ass.

I was over there in two seconds, and looking down at the girl sitting on the grass I noticed the similarity between the shape of the softball and that of Tracy's tits. It seemed as if she had three breasts poking out of the top of her tank shirt. I reached in for the softball and found it to be wedged pretty firmly between her boobs. I had to push one of Tracy's tits to the side to pop the ball out of there. Perhaps my hand held on to that tit a bit longer than it really had to.

"Are you okay?" I asked.

"A little sore, maybe, but I'm okay." She grabbed my

"Bitch!" cried Suzy, and she kicked Kelly's legs. Her cleats left three marks across the base runner's thigh. Kelly, still on the ground, spun to her left to avoid another kick and grabbed the side of Suzy's shorts.

She gave them a yank and they fell to Suzy's knees, exposing two pretty, pale buns atop Suzy's shapely legs. The de-panted lady tried to kick again, lost her balance, and fell on Kelly. When Kelly tried to roll out from under her, Suzy tore the top of Kelly's shirt, leaving one tit uncovered. I broke through the circle of fight fans and stopped the girls just as Kelly was tearing at Suzy's top.

I put my arms around Suzy's waist and hauled her off Kelly, at which point Kelly popped up and lunged at her. Caught in the middle, I yelled stuff about lady-like behavior and team spirit while Kelly's naked breasts bounced off me on one side and Suzy's bush rubbed my other side. I finally grabbed Kelly's right tit in my

left hand and spun her around so that her back was pressed against me, with my hand still holding her tit. Then I twirled Suzy around so that her back was to me and, grabbing her delta, I hugged her tight against my right hip.

We stood like that for a few minutes, me with a tit in one hand and a pussy in the other, until the heavy breathing from the fighting was replaced by heavy breathing of another kind. Kelly's little nipple was growing hard in my hand, Suzy's pussy was growing moist, and the other ladies were standing in a circle and staring. "Come on, girls," I said. "We can't have fighting among teammates. You're the Biscayne Beavers—the next state champions of women's softball!" So the practice continued, and I continued roaming from girl to girl, correcting forms and copping feels. Billy Martin never had it so good!

Now in movies, half-assed teams like ours always win in the end. But this is reality, so when we played the final game against a local team, we lost. I was, nevertheless, proud of the ladies for having come in second in the state, and I invited the Beavers back to my place for

Little Kelly started pulling her top over her head too. "What the hell," she said. "You all saw my tits at practice."

"And you can see mine right through this shirt, anyway," said Janice, who started to peel hers off. Her high-riding breasts that had pointed upwards so proudly when she threw so badly were freed from the wet top almost as quickly as Kelly's smaller, firm tits emerged from her top. They were especially visible through the wet cloth. Janice raised her beer can and, throwing like a girl, sent a shower of suds at Kelly. With her wet, red hair clinging to her pretty tee, Kelly sprayed Linda.

Linda tried hers. "Good idea," said Tracy, who then unveiled her softball-shaped knockers. Linda and Suzy did the same, and for a few more minutes the flying beer splashed against her, but her ass was jutting out too much and it caught the best of the brew. Linda's satin shorts turned nearly transparent as the stuff sprayed in, and the resulting view of tits and pinkish nipples. I was getting drenched too, so it sort of made sense when Suzy, who'd lost her pants in the scrap at second during practice, yelled, "Coach's pants are wet. Let's take them off!"

an end-of-season drink.

Unfortunately, many of the girls had prior commitments with boyfriends or husbands, so only five of them came home with me. Only five sexy, long-haired girls with little shorts, bare legs and low-cut tank tops. We were starting on a case of beer in my backyard when Tracy asked, "What do they do in the major leagues after the World Series?"

"They get drunk and dump drinks on each other," I replied.

Janice shook her can of beer and popped it open, spraying foam in Tracy's face. They both giggled, and Tracy shot a stream of brew at Janice. The liquid soaked her tank top, causing one tit and nipple to be soaked.

Her cheeks and crack indicated that she wasn't wearing panties. She sprayed some beer at Suzy, our second base person, and got her right in the pussy. I could even see pubic hairs materializing as the satin got soaked. Eight or 10 hands laid hold of my belt, undoing the buckle and fiddling with my fly. Someone then yanked my jeans down while other hands grabbed at my crotch. I was so intent, in fact, on staring at Suzy's pussy my pants caught around my ankles and I fell. More cans of beer were popped, and the air was filled with foam. I whipped off my shirt and came face to face with a pair of taut little titties.

A moan came from above me as I bit into the tender flesh and rolled my tongue against the nipple.

Hands were still tugging at my pants and pulling off my sneakers. I reached out and grabbed onto whatever shorts I could find. Yanking one down and squeezing it I felt a familiar cheek. It was Suzy's. She shrieked and grabbed hold of my ass. I groped through the tangle of women and pulled down another pair of shorts. A tit popped out of my mouth as Linda straightened up in surprise. Sure enough, it was her ass I'd grabbed; I could feel her firm butt sticking out just like it did during

had up her ass.

Linda was now able to sit on my chest and straddle me with a knee on each shoulder. "Pinned!" she said. Her pussy was just an inch or so from my face and it was dripping from beer, sweat and excitement. I lifted my head up and took her pubes in my teeth. That caused her to slide her ass forward until her vagina was right above my chin. I licked two or three times at her clit. Her love button swelled out immediately and she nestled

batting practice.

Spunky Kelly laughed and tried to grab one of my arms. I yanked her pants down and swung her around so her pert buns were on my chest. Pulling her closer I bit her little ass, letting go only when Tracy's pop-fly-catching boobs came within reach. I grabbed one and the soft tit filled my whole hand. She tumbled face down onto my hand and I held her breast tightly while my other hand still gripped Suzy's ass. Suzy gasped as my middle finger began to slide up her anus, lubricated as it was from the flying beer.

Linda, meanwhile, was climbing through the mass of naked, giggling girls to get closer to my head. She edged Kelly off my chest, causing the cute redhead to roll onto Suzy, whose eyes were closed. She was panting heavily as my finger pushed farther up her asshole. Reflexively she hugged Kelly as she rolled onto her.

One of Suzy's hands was still gripping my ass; the other grabbed Kelly's cheeks. Eyes still closed, she pressed her lips against Kelly's. Kelly looked shocked for a moment and tried to pull back, but Suzy's grasp on Kelly's ass was too tight. The redhead's mouth gradually opened as she responded to Suzy's kisses, and I saw Suzy's fingers slide down Kelly's buns and between her thighs. A moan came from Kelly as Suzy's fingers slipped up the cute girl's snatch. Suzy moaned too as my thumb entered her vagina and tried to touch the finger that I

her pussy against my lips. My tongue darted into Linda's twat, sucking beer and salty love juice. She trembled and pressed her thighs against my face.

We could all hear Suzy moaning as my fingers worked her pussy and anus, and Suzy's hand up Kelly's little pussy was causing Kelly to make noises too. Linda panted heavier as I licked her love button, and Tracy moved my right hand off her breast and down to her snatch. Tracy's pussy was already wet; she was ready to come just from having had my hand around her tits.

Something hot suddenly closed in on the tip of my penis. It slipped over the head and descended to engulf the shaft. Janice, who had started all this, was lowering herself onto my cock. She groaned as my hard-on filled her, rocking back and forth on my dick while Linda's legs trembled against my face and Tracy also began to shake. I felt my juices surging into my rod, where they paused to gather forces. Wet pussies slapped my hands and covered my mouth while cum surged through my shaft again. I exploded into Janice's pussy, surrounded and covered as I was by moaning, bare young bodies.

The party didn't end then and neither did the practice sessions. I decided we should get together as a team all through the mild Florida winter. And we've been practicing everything. Will the Beavers win the state title this season? I hope so, because that will be some victory party if we do!

I just love dressing up – just to undress. From frilly waistcoats and corsets to cute and colorful lingerie, these are the things that make me feel sexy. When I was younger, I loved the torn jeans and belly shirts, but my tastes have become a bit more sophisticated as I got older.

But no matter what I wear, I just can't wait to get it off.
